WORK EXPERIENCE

Intern/Full Stack Web Developer Almabetter

02/2023 - Present

Bangalore/India

Achievements/Tasks

- Developed web applications using HTML, CSS and JavaScript. Designed efficient database schemas to store data from the web applications. Researched and implemented new technologies to improve development processes. Collaborated with other developers on code reviews, bug fixes, and feature development. Optimized existing code base for better performance and scalability. Integrated third-party APIs into the web applications for additional features and functionality. Troubleshooted complex issues related to front-end, back-end, databases, servers.
- I completed Two Projects Which are given By Almabetter First one is Flashcard Generator in which This application offers features such as card creation , the addition of both text and images , sharing , downloading , deletion , and even the option to print the generated flashcards.
- Second one is Get-Youtube-Subscribers backend API to get the Subscribers data using specific routes end points made by using Nodejs, Expressjs, MongoDB and Mongoose .

PERSONAL PROJECTS

Flashcard Generator (07/2023 - 09/2023)

- This project assignment from Almabetter serves as a front-end, capstone task. It involves developing a flashcard generator application that facilitates the creation of multiple flashcards within a group. This application offers features such as card creation , the addition of both text and images , sharing , downloading , deletion and even the option to print the generated flashcards. The user interface of this app is designed to be fully responsive, ensuring a seamless experience across various devices.
- This Project Consists of 3 main pages:
- 1) CreateNew 2) Myflashcard Page 3) Flashcard detail page
- In this I got 86 number out of 100 .This is my achievement

Get-you-Subscribers (09/2023 - 10/2023)

- Get-Youtube-Subscribers backend API to get the Subscribers data using specific routes end points made by using Nodejs, Expressjs, MongoDB and Mongoose .
- I got 91 number out of 100 number.
